Registered participants currently indexed: 0

Embodied Robotics and Autonomous Intelligence

Global research conference focused on Embodied Robotics and Autonomous Intelligence, connecting researchers, academics, industry specialists and emerging scholars through reviewed presentations, technical sessions and interdisciplinary exchange.

Primary research theme

Embodied Robotics and Autonomous Intelligence

Proceedings inclusion principles

- Accepted research contributions aligned to the conference scope
- Programme-ready presentation records and verified presenter details
- Live event dates, venue and programme information
- Committee appointments displayed only when verified
- This digital book regenerates from the current conference database

Verified committee members will appear automatically here once appointments are active.

- Conference Chair
- Scientific Chair(s)
- Programme Committee
- Scientific Review Committee
- Session Chairs
- Virtual Presentation Coordinator
- Poster Presentation Coordinator
- Conference Operations Coordinator

26 Sep 2026 | Asia/Hong_Kong

08:00-09:00 | Arrival | Registration, badge collection, poster setup & virtual platform check

09:00-09:20 | Opening | Welcome, conference orientation & organising committee opening

09:20-10:10 | Keynote | Opening keynote / invited address

10:10-10:30 | Break | Networking and refresh break

10:30-12:30 | In-person | Oral presentations - Technical Session A

12:30-13:30 | Lunch | Lunch & scientific networking

13:30-15:15 | In-person | Oral presentations - Technical Session B

15:15-15:35 | Break | Refresh break

15:35-17:00 | Virtual | Live virtual presentation block

17:00-18:00 | Poster | Poster presentations & moderated poster discussion

27 Sep 2026 | Asia/Hong_Kong

08:30-09:00 | Arrival | Day 2 check-in, poster setup & technical support

09:00-09:50 | Keynote | Day 2 keynote / invited lecture

09:50-10:10 | Break | Networking and refresh break

10:10-12:10 | In-person | Oral presentations - Technical Session C

12:10-13:10 | Lunch | Lunch & scientific networking

13:10-14:40 | Virtual | Live virtual presentation block

14:40-15:00 | Break | Refresh break

15:00-16:15 | Poster | Poster presentations & research showcase

16:15-17:15 | In-person | Final oral presentations / expert panel discussion

17:15-17:45 | Closing | Closing remarks, acknowledgements & next conference cycle

Proceedings contribution section

Accepted abstracts will be inserted automatically as scientific decisions are completed.

The current programme and conference information pages remain fully populated in this live edition.

Participant records will be indexed here automatically as registrations are received.
